25X1A [REDACTED] -
[REDACTED] called. Mr. Kirkpatrick would like to have BY THE END
of the AFTERNOON a list of the new officers recruited and the
consultants recruited by DD/R since its beginning. It should include
a brief statement of the man's background. If you have the form
which comes up when these are approved, Mr. Kirkpatrick could
borrow these for his purpose. This same request is being made of
OSI.
